

**AMENDMENTS TO THE SPECIFICATION**

Please amend the paragraph [0209] bridging pages 68 and 69 to read as follows:

[0209]

By the way, although the above description has been provided assuming that the invention is arranged as a system, it may be in the form of a program which can be installed in a computer, or computer readable recording media having the program recorded thereon such as CD-ROMs, magneto-optical disks (MOs) or floppy disks (FDs), for example, as long as the functionality can be realized on the computer.
